

Renewing your membership

We are very grateful for your continued support, which enables us to carry out our activities and programmes of work, including the support of the teaching of weather and climate in schools.

All membership starts from 1st January each year.

There are several options for how to renew your membership:

Renew Online

1. Click on 'Log-in or register' in the top right corner of the RMetS website.
2. If you have an account already, enter your email address and password and click the orange 'Log-in' box. If you do not have an account, you need to click 'Create a new account' and follow the steps provided on that page. Note: You need to know your membership number to ensure it links to your current membership account.
3. Once you login, you may then be taken back to the RMetS home page. Click on 'My Account' in the top right corner of the home page and click on the tab called 'My subscriptions' followed by the orange 'Pay now' button.
4. From here, you can renew and also update your current membership package, personal details and select your gift-aid preferences. Simply review this information, clicking through the steps. Subject to successful payment, your RMetS membership has been renewed!

via Bank Transfer

Please contact the Society for our banking details. It is also possible to pay via bank transfer when remitting from outside the UK - please indicate this when requesting our details.

via Cheque payment

Make cheques payable to: Royal Meteorological Society

Post to: Royal Meteorological Society, 104 Oxford Road, Reading, RG1 7LL

Please include your name and membership number on the back of the cheque.

Amending your membership subscription

If you wish to revise any of your requirements for journals, please amend while renewing online or amend the invoice and return it to the Society with your payment.
